Dear Welsh Community Transport,

Subject: Thank you.

Having recently met with Flintshire Local Voluntary Council they informed me of the fantastic work your you do. I wanted to write to you to express my gratitude for the incredible efforts your team have gone to whilst supporting our local community throughout the coronavirus pandemic.

Your transport support for those most in need as well as charitable organisations has been invaluable during this most difficult of times.

It is often in periods of crisis that we see communities pulling together to support one another and your team have demonstrated how showing care and kindness towards others can go such a long way.

On behalf of myself, and the Alyn and Deeside residents I represent, thank you.

If I can assist in any way with future campaigns, please do not hesitate to get in touch.

Best wishes,

BEST WISHES,
JACK SARGEANT.
